# AN AFRICAN *Experience*

# HOME AWAY FROM HOME

In 25 years of operation, our mission has remained unchanged: to bring Africa closer to those who live far from it through flavors and traditions that speak to the heart. Every product we bring to our customers is not just an everyday item, but a journey of emotions, a window into a world rich in history and culture.

Our customers are more than just buyers; they are essential companions in this cultural exploration, whose support and loyalty are fundamental to us.

With great pride, we have committed to creating the EAGLE Brand product line, our line of highest quality flours. Each Eagle product is unique, with different tastes to adapt to the different culinary cultures of Africa that results in a careful selection and a production process that reflects the utmost authenticity of our brand and our method of processing.

Our product line guarantees a rich variety, without ever losing sight of excellence in taste: be it cassava, plantain, Gari, palm wine, palm oil and for the entire EAGLE brand range.

EAGLE POUNDO YAM: our PREMIUM flour, reflects the consistency, love, and dedication towards our mission: to celebrate the best of Africa everywhere in the world.

In 25 anni di attività, la nostra missione è rimasta immutata: avvicinare l'Africa a chi vive distante da essa, tramite sapori e tradizioni che parlano al cuore.

Ogni prodotto che portiamo ai nostri clienti, non è solo un elemento del quotidiano, ma un viaggio fatto di emozioni, una finestra su un mondo ricco di storia e cultura.

I nostri clienti sono più di semplici acquirenti; sono compagni di questa esplorazione culturale, il cui sostegno e fedeltà sono fondamentali per noi.

Con molto orgoglio ci siamo impegnati a creare la linea di prodotti EAGLE Brand, la nostra linea di farine di altissima qualità.

Ogni prodotto Eagle è unico, frutto di un'attenta selezione e di un processo di produzione che rispetta il massimo dell'autenticità del nostro marchio e del nostro metodo di lavorazione.

La nostra linea di prodotti garantisce una ricca varietà, senza mai perdere di vista l'eccellenza in fatto di gusto: che sia cassava, plantain, gari, palm wine, palm oil e per tutta la gamma a marchio EAGLE.

EAGLE POUNDO YAM: la nostra farina PREMIUM, rispetta la costanza, l'amore è la dedizione verso la nostra missione: celebrare il meglio dell'Africa ovunque nel mondo.

A collage of various legumes in burlap sacks. The top left shows a sack of brown lentils. The top right shows a sack of white beans with black spots. The middle left shows a sack of green peas. The middle right shows a sack of red kidney beans. The bottom left shows a sack of green lentils. The bottom right shows a sack of brown lentils. The sacks are made of coarse burlap and are tied with twine. The background is a dark, textured surface.
